**Friendly Computer Services, Inc.**

## Authorized Reseller

Newsletter 9-2008

Volume 1, Issue 1

Friendly is announcing their partnership as an Authorized Apple Computer Reseller.

Friendly has been listening to your request. In an effort to provide all the products and services for the Managed Service Client, our partnership with Apple is proof that Friendly is first and foremost committed to supply all service and equipment to support your network solutions. Some clients use their business machines for many uses or have expressed an interest in Mac's for business and personal use.
